IMPORTANT NOTES:

1. Your DAR is the official resource for planning coursework necessary for graduation.
2. If you are pursuing the 2-year plan, you will typically choose 3 courses per semester. If you are on a 3-year plan, you will typically choose 2 courses per semester.
3. All students are expected to complete the program within three years of their first semester taking HLA courses.
4. Admitted HLA majors who do not take HLA core or elective courses for two consecutive semesters are considered inactive and must reapply to the program. Students who reapply will adhere to the most current admission requirements and policies.
5. HLA 300 is an introductory course to the program and **must** be taken during your **first semester**.
6. HLA 422 is a capstone course that **can only be taken** in a student's **last year** of the HLA program.
7. See the HLA webpage for specific program requirements.
