UPAC Meeting for Sept. 9th, 2014

Emily calls this meeting to order at 5:00pm

Guest Speakers
- Nathan Wardinski
  - He wants to do a double feature movie night for KQAL
    - Sounds of cinema
    - Halloween related programming
    - He needs money to help pay for the movies to show them in public.
    - He wants to show Nightmare on Elm Street and New Nightmare
      - Nightmare on Elm Street is a classic horror film.
      - These films are really interesting and educational programs.
    - It costs $529 to show movies on campus.
    - Does not need any more help other than money.
  - Questions to Nathan:
    - Have you gone to video club to see if they will help out?
      - Yes, they decided to pass because they have such a small fund.
    - What day is it on?
      - Hoping for Thursday October 30th
    - What is the turn out for a film like this?
      - Previously he has had the movies in SLC auditorium and has filled it before. Otherwise it is about 50 people.
- Discussion:
  - Would we get recognized for helping out?
    - When we sign the co-sponsorship form we will say what we want to get recognized for.
  - How are they compared to our $3 movie nights?
    - It is more similar to our Double Feature movie nights.
  - Is $529 for both movies?
    - No it is $529 for both of them
  - We normally do a scary movie for a double feature movie night so may be more useful to just help out him instead of have our own.
  - What is his educational part?
    - Sounds like it is more on the cinema side.
  - Where would the budget come from?
    - Special events on campus.
- Megan makes a motion to co-sponsor a Double feature movie night with KQAL with date to be determined, spending no more than $529.
  - Seconded by Andy Hamilton
  - Discussion:
- May be hard to get a lot of people there.
- Might be easier to just give him only some of the money not all.
- This would take place from us doing our own movie night for Halloween.
- Good way to kill two birds with one stone.
- Good to show our support with other clubs/organizations.
  - 1 opposed, 3 abstaining
