GEOGRAPHY DEPARTMENT

Minné Hall, Room 228, (507)457-5432
http://www.winona.edu/geography/index.asp

Description/Objective:

The study of geography affords students the opportunity to examine the differences and similarities of the various physical and cultural environments in which we live.

Career Opportunities:

Drawing on concepts from both the physical and the social sciences, geographers work in such fields as education, urban and regional planning, government agencies, conservation, international business, tourism, cartography, and international relations.

High School Background:

Specific high-school courses are not required.

Geoscience Courses Approved for University Studies Program:
