SHORT FACULTY BIO
I am a straight, gender male (preferred gender pronouns he/his/him), GLBT ally and licensed alcohol and drug counselor in the state of Minnesota (MN license #300769), and I have worked in the chemical dependency field since 1988. I have a doctorate degree in Adult Education from the University of Minnesota, and a MS in Counselor Education (1991), and BS degrees in Psychology and Political Science (1987), from Winona State University. I retired in 2012 from the Federal Bureau of Prisons as a drug treatment specialist where I developed and facilitated drug abuse programs for adult female and male offenders.

COURSE DESCRIPTION
This course provides students with an overview of the transdisciplinary foundations of alcohol and drug counseling, including theories of chemical dependency, recovery and the continuum of care, and the process of change from a wide range of perspectives. Students will become familiar with the process for screening clients to determine program appropriateness and eligibility. They will be introduced to program admission, intake, orientation, processes and procedures, case management functions, and record-keeping requirements. Referring clients for additional supports and wrap-around services will be considered. Grade only.

COMMITMENT TO INCLUSIVE EXCELLENCE
WSU recognizes that our individual differences can deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from WSU’s community or if you have a need of any specific accommodations, please speak with the instructor early in the semester about your concerns and what we can do together to help you become an active and engaged member of our class and community. (List of campus resources can be found in Appendix A).
