(consortium agreement is good for only one semester at a time)

I am requesting a consortium agreement between the Financial Aid Offices of my Home School and my Visiting School for the purpose of promoting an exchange of information and clarification of financial aid funding. I request that information regarding my enrollment and costs of education be sent to the Financial Aid Office at Winona State University. I understand that my credits at the Visiting School must be transferable to Winona State University and plan to transfer them at the end of the period of attendance. I authorize the Visiting School to provide the results of my enrollment to the Winona State University Financial Aid Office.

Students who are participating in study abroad programs from which they do not receive a transcript from a US accredited institution will not qualify for Federal or State financial aid. One consortium agreement must be filled out for each semester.
