

2008-2009 Verification Worksheet

Federal Student Aid Programs

Dependent

FORM APPROVED
OMB NO. 1845-0041

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your and your parent(s)' 2007 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections.

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. Your financial aid administrator will help you.

What you should do

4. Submit the completed worksheet, tax forms, and any other documents your school requests to your financial aid administrator.
