Thank you for your support of the WSU Athletic Training Education Program! Your continued support will allow the WSU ATEP to continue to provide an outstanding education to students within the field of athletic training. Donations can be designated for use with:

1) **WSU AT Alumni Scholarship** – Scholarship fund to honor the outstanding junior within the ATEP. Our goal is to increase this scholarship fund as to allow two $500 recipients each year!

2) **WSU ATEP Program** – Donations will be used to purchase education materials (books, technology, etc.) or equipment for use in ATEP courses!
