Uncertified photocopies are not acceptable. A detailed description of all post-secondary course work must accompany this application.

You should arrange for Winona State University to receive official transcripts of all academic work completed in the United States and certified true copies of originals of academic work completed in a foreign country. Documents must be dated and stamped and will become the property of Winona State University. Records should list the subjects studied and grades or other evidence that each individual subject was completed to the satisfaction of the authorities in charge. Records should also include certified copies of any diploma’s or other certificates received. All records must be in English. If official document language is other than English, a certified translation is required along with the original document. Since certificates and records filed for examination are not ordinarily returned, you should send certified/official attested photocopies of documents which cannot be easily replaced.
