The WSU Retiree Center is excited to announce yet another day trip opportunity! We are headed to a St. Paul Saints game at the new CHS Field in St. Paul on August 19th. This is a day game (12:05pm start time) against the Sioux City Explorers. If you’ve ever been to a Saints game, you know that the experience is about much more than the game. The between-innings shenanigans really put the game day experience over the top. This is going to be so much fun…I hope you can join us!!

We have arranged a coach bus for this trip. Here is our itinerary:

- 8:45am – Bus will leave from the Elks Parking Lot
- 12:05 pm – Game begins
- 3:15ish – Game ends and we will have a little time to explore St. Paul’s Lowertown neighborhood – there are tons of places to eat, grab a drink, or walk in the park, just steps from CHS Field!
- 5:15pm – Board the bus back to Winona
- 7:30ish – Arrive at the Elks parking lot in Winona

The trip cost of $50 includes game ticket, the bus trip, and a tip for the bus driver. **REGISTER HERE** soon to reserve your spot!

**As an added treat, you are invited to attend a Winona Baseball Panel Discussion being held a week before the game at the Winona County History Center Wanek Room (Wednesday, August 12th at 10am). This panel discussion is being sponsored jointly by the WSU Retiree Center and the Winona Learning Club. WSU retired baseball coach, Gary Grob, and WSU’s current baseball coach, Kyle Poock are going to be sitting on the panel along with Al Smith and Jerry Raddatz! This will be a really interesting way to learn about the game of baseball in order to enhance the game day experience even more!!**
