This is what is stated on your license:

Renewal of license/s will require completion of 125 clock hours verified by a Minnesota local continuing education committee. Renew your license by submitting the renewal form with an official transcript verifying 12 quarter or 8 semester credits in the licensure area or in general education courses. The credits must have been earned during the five-year period immediately preceding renewal.

If you have been or are currently employed by a Minnesota district, you must call the school district office and ask to set up an appointment with the continuing education committee to see what course work you need for renewal. If you have never been employed in a Minnesota district and your license has lapsed, you may call the school district of your residency and ask to make an appointment with their Continuing Education Committee for licensing renewal.

To apply for renewal you can go to this web site:
