**CURRENT:** This synthesis course allows students to expand their understanding of major concepts of child advocacy, experiential learning, and evidence-based practice in a setting of their choice. A multidisciplinary approach will be emphasized as students focus on ethical decision-making and cultural sensitivity with clients in a community location. Students must be a declared CAST minor and have the instructor's permission.

**PROPOSED:** This course is a field experience designed to allow students to apply their Child Advocacy Studies course content to a professional experiences of individuals and organizations seeking to advocate for healthy children and families. Students will complete 120 hours in an arranged, supervised, and professional organization.
