 - c. Ethical Challenges for Ethnographers
 - i. Etic and Emic Perspectives
 - ii. Data Interpretation and Presentation
 - iii. Confidentiality Procedures
 - d. Digital Ethnography Project
 - i. Wordpress Platform
 - ii. Project Structure
 - e. Ethnographic Case Study/Clinical Experience
 - i. Ethnographic Setting (15 hours)
 - ii. Informants / Document Sources
 - iii. Data Collection and Analysis
- 6 Ethnographic Implications for Teaching and Learning
 - a. Relationship Building with Local Cultural Communities
 - b. Curricula Choices
 - c. Pedagogical Techniques
 - d. Classroom Management Decisions

5. Course materials (textbook(s), articles, etc.).
Sociological Theory

Collins, R. (2007). Functional and conflict theories of educational stratification. *American Sociological Review*, 36(6), 1002-1019.

6. List the student learning outcomes for this course and how each outcome will be assessed.

	Learning opportunities	How these ideas are assessed
a. demonstrate knowledge of diverse patterns and similarities of thought, values, and beliefs as manifest in different cultures;	Students read, study, and debate academic articles and book chapters that examine diversity through sociological, anthropological, and psychological lenses.	<ul style="list-style-type: none"> • Exams and quizzes • Reflective journals
b. understand the extent to which cultural differences influence the interpretation and expression of events, ideas, and experiences;	<p>Students read, study, and debate academic articles and book chapters that examine race, class and gender and how those traits influence a person’s participation in the world and in schools in particular.</p> <p>Students examine the public school system and it’s ability to serve various populations in our society by attending school district functions and interviewing school personnel.</p>	<ul style="list-style-type: none"> • Reflective journals
c. understand the extent to which cultural differences influence the interactions between individuals and/or groups;	Students read, study, and discuss academic articles that present cases of cultural differences and their impact on participation in schools and other social settings. The students use these ideas to shape their interactions with B-12 students in field experiences.	<ul style="list-style-type: none"> • Reflective journals
d. examine different cultures through their various expressions; and/or	N/A	
e. possess the skills necessary for interaction with someone from a different culture or cultural group.	Students bring back their reflections from EFRT 460 where they interacted with B-12 students and cultural coaches to help them understand interaction patterns. They use those reflections to examine the larger social influences on B-12 students participation in schools and schools ability to serve diverse populations.	<ul style="list-style-type: none"> • Reflective journals
