### Room Assignments
Rooms are assigned on a first-come, first-served basis by the date of application; both housing agreement and pre-payment must be received. Please note we begin accepting applications October 1, 2015.

### Roommate Search
Once you submitted your housing application and pre-payment, you will be sent an email inviting you to join RoomSync, an online roommate matching program using Facebook. Once you create a RoomSync profile and find your roommate, you will need to be sure to enter each other’s information on your housing application. Roommate requests must be entered by January 1, 2016. A roommate will be randomly selected for you if you prefer.

### Meal Plans
There are several meal plan options (19, 14, 10, and 7 meals per week) available through Campus Dining at Winona State University. The 14 meal plan will automatically be assigned to you if you do not select a meal plan on your application.

### Room and Meal Plan Rates
The rates for room and meal plans are approved during the summer of 2016 by the Minnesota State Colleges and Universities Board of Directors, (MnSCU). Enclosed is a current room/meal plan rate sheet for your reference. (Please be advised there may be a slight increase in rates.)

### Tips to Remember
- Application, housing agreement, and $250.00 pre-payment must be received in the Housing & Residence Life Office to ensure a space in the residence halls. If you are applying online, please submit your payment electronically.
- Fill out the application clearly and accurately to avoid delays in processing.
- Remember to include the Warrior ID of the roommate preference you list.
