1. On an attached sheet provide:
   a. Internship objectives.
   b. A job description. Provide a complete description of the intern’s assignments including any expected achievement such as a completed report, creation of a program or system, and milestone expectations. The activities to be performed for the internship must add up to a meaningful learning experience, not just a “part-time job.” Therefore, the tasks described should entail significant responsibility.

   The on-site supervisor will be asked to submit a written evaluation(s) of the intern’s performance.
