OVERVIEW:

The year's University Theme is [Culture of Caring](#) – we're asking our employees to DARE TO CARE – by showing just how goodhearted & thoughtful our Warrior Community truly is – and we might as well have some fun while doing it, right? 😊

Form a Team with your fellow Warriors, complete the monthly challenges to earn points, share pictures & testimonials for 'bonus' points, report-in monthly. Top 3 Teams **WIN PRIZES!**

TEAM TIME:

- Any WSU employees can join together to create a team.
- Teams can have 2 to 10 people.
- Teams can be departments, cross-departments, or any group of fun-minded WSU employees daring to care.
- Each employee can only participate on 1 team.
- Teams can be created at any time but the earlier you start the more points you can earn!
- Don't know who to have on your team? That's okay! Simply email us @ university-theme@winona.edu and we can help add you to a team!

PROCESS & POINTS:

- Each month will have 3-Main-Challenges.
Teams can complete any number of the 3 to earn points.
- The List of Challenges will be shared with Teams after registration.
Examples include:
 - Attending Campus and/or Community Events
 - Completing & Sharing Random Acts of Kindness
 - Volunteering within Our Local Communities
 - Campus Learning Opportunities & More!
- Main Challenges are worth **10 Points Each!** (max of 30/month)
- Bonus Points are available! Simply document your shenanigans and share them with us @ university-theme@winona.edu or have your Team Leader submit them monthly.
 - Each picture and/or testimonial is worth **5 Points Each** (max of 30 bonus points/month)
 - Remember, by submitting your pictures and testimonials, you're agreeing to allow WSU to share those publicly. Please ensure you have everyone's permission before sharing 😊
- Teams do not have to complete the challenges together at the same time – but, honestly, there's more adventure in numbers.
- And no double-dipping. There will be no additional points if each team member completes each challenge separately - (that's why it's more fun together). And please don't jump ahead. Challenges are to be completed in the month they are designated.
- Team Leaders must submit each month's 'points' by the **5th day of the following month.**
 - Links for submission will be provided to teams after registration.
- Points will be tallied, and standings updated monthly!

Bring on the good-fun light-hearted competition!

That's it! Simply email university-theme@winona.edu with any questions or concerns. [REGISTER YOUR TEAM TODAY!](#)
