I'm having surgery this summer

## Q10 - Is there anything you would like us to know regarding WSU summer that was not addressed in this survey?

There need to be tutors available for summer courses (ex: Statistics). This is a huge disservice to students. Instructors should be more available to students during the summer for questions re: classwork, etc.

More summer classes should be offered for nursing at a graduate level.

SINGLE PARENTS CAN NOT ACCOMMODATE ADVERSITY IN SCHEDULING WITHOUT A FEW DAYS' NOTICE

I would like there to be more psychology classes offered online.

Offering more online and hybrid courses would be great!

Please offer more Spanish courses for the summer session.

Would like to have Social Work Major classes during the summer, currently, none are offered other than field experience.

Be more educational about summer financial aid please

have more online psychology courses in the summer

Have more online courses

offer microbiology over the summer

I am a Spanish minor and Nursing major. With my busy schedule, it is difficult to fit in Spanish classes, especially when they conflict with other, more important courses. Currently, the Spanish department only offers lower-level Spanish classes over the summer. This has made it difficult for me to complete my minor requirements. I would appreciate if classes like Spanish or Latin American Literature were held in the summer for students like me.

There are apparently no psych courses through WSU that can be taken completely online over the summer. It determined for me not to get a psych minor because I live 3 hours away from Winona and didn't want to have to find summer housing.

Nope, you did a wonderful job. I had an amazing experience on my Travel Study, it's truly the most amazing way to learn!

More classes

How affordable are the summer sessions.

professors who have online classes (which are my preferred method) should effectively be able to use D2L so the expectations/deadlines are clear

Offer more grad nursing classes. I would have loved to take one last semester but there was nothing that fit into my course of study

It can be frustrating when certain classes required for my major are ONLY offered in the summer

I wish there were more options for online classes during the summer in the HERS department.
