- **An Additional Self-Assessment for Personality:**
  (1) Jung Typology Test: Available at [http://www.humanmetrics.com/cgi-win/JTypes2.asp](http://www.humanmetrics.com/cgi-win/JTypes2.asp)

  This 72-item assessment will provide you a personality type “code” based on the theories of Carl Jung and Isabel Myers-Briggs. After completing the assessment, you will receive several descriptions highlighting strengths of that personality type. This assessment does not match your personality to specific occupations, but does give you information that may help inform your career decision-making process.
