

Winona State University  
2021-2022 Transfer Student Scholarships

### **Transfer Scholarships**

**Amount:** \$1000

**How to Qualify:** Have at least 30 credits and at least a 3.35 cumulative college GPA when you apply to WSU.

### **Renewable Resident Tuition Scholarship**

**Amount:** Resident Tuition Rate (approx. \$5,800 less than the Non-Resident tuition rate)

**How to Qualify:** Be a resident of Illinois, Iowa or other non-reciprocity state.

You must also meet one of the following criteria:

- Be an incoming student from Iowa or Illinois who is transferring directly from a Minnesota State Community or Technical College
- Be an incoming transfer student with at least 24 transferable credits and a 3.25 cumulative college GPA

If you are transferring with less than 24 credits, you will need to meet one of these criteria as well:

- Be in the top 15% of your high school graduating class
- Have a 3.70 cumulative high school GPA
- Have an ACT score of 25 or greater (considered but not required)
- Have an SAT score of 1200 or greater (considered but not required)

This award means that you will pay the resident (in-state) tuition rate rather than the non-resident (out-of-state) tuition rate. You can think of it as a scholarship worth roughly \$5,800.

This **scholarship is renewable** if you maintain at least a 3.0 GPA in college.

### **Renewable Phi Theta Kappa Scholarships**

**Amount:** \$1,000 per year

**How to Qualify:**

- Be a member of Phi Theta Kappa
- Have at least 3.5 cumulative GPA
- Have earned Associates Degree or completed MN transfer curriculum

### **Foundation Scholarships**

**Amount:** Varies

The WSU Foundation Scholarship Committee awards scholarships to students who excel in both intellectual learning and personal character. They wish to make an investment in individuals to help people achieve their goals. The WSU Foundation awards over 700 scholarships each year that total more than 1.4 million dollars.

**How to Qualify:**
