

FY18 ANNUAL REPORT: WSU FOUNDATION HONOR ROLL

1858 FOUNDERS SOCIETY

The 1858 Founders Society was established by the WSU Foundation Board of Trustees to recognize those individuals who have made a provision to Winona State in the form of a deferred gift, whether that be a will, life insurance policy, or a life income agreement. The Foundation is forever grateful to those who make a future gift in support of the University's mission, and this society was created to recognize the importance of those donations.

If you would like more information on creating a provision to Winona State University, or if you have already made one but not yet notified the WSU Foundation, please call 507.457.5020. We will be happy to assist you and all information will be kept in strict confidence.
