INTRODUCTION/PURPOSE

The Health, Exercise & Rehabilitative Sciences (HERS) Internship Program provides significant experiential learning opportunities valuable to a student’s professional development. The field experience provides a means of reinforcing and enhancing academic preparation, while interns actively apply knowledge and skills in a real work environment. Through cooperative planning and implementation in partnership with the internship agency (site), the Department requires the following internships of eligible degree candidates:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>HERS 496</td>
<td>Public Health</td>
<td>10</td>
</tr>
<tr>
<td>HERS 497</td>
<td>Cardiopulmonary Rehabilitation</td>
<td>8</td>
</tr>
<tr>
<td>HERS 499</td>
<td>Exercise Science</td>
<td>8</td>
</tr>
</tbody>
</table>

All HERS Department internships are offered for up to 12 credit hours. See Credit/Work Hours section, page 5, for details.

This handbook has been designed to assist Cardiopulmonary Rehabilitation, Exercise Science and Public Health majors in the procedural aspects involved in successful acquisition and completion of the “capstone” internship experience.

The internship experience serves as a practical vehicle of transition for students to make the change from classroom to work place settings. With the structured environment of a University approved agency/site and under the direct supervision of a university approved professional in the field, the student receives guidance in transitioning from the academic setting to the role of an employee in a “real life” worksite.

HERS DEPARTMENT CONTACTS:

**Dr. Brian Zeller, Professor, Chairperson**
Telephone: 507.457.5575 (800.242.8978)
E-mail: bzeller@winona.edu
Fax: 507.457.2554

**Mary Kaye Pecarina, Administrative Assistant**
Telephone: 507.457.2600 (800.242.8978)
E-mail: mkpecarina@winona.edu
Fax: 507.457.2554

**Cardiopulmonary Rehabilitation Faculty Internship Advisor:**
**Dr. Teresa E. Lee**
Telephone: 507.457.2271 (800.242.8978)
E-mail: telee@winona.edu
Fax: 507.457.2554

**Community Health Faculty Internship Advisor:**
**Dr. Peter Sternberg**
Telephone: 507.457.5693 (800.242.8978)
E-mail: psternberg@winona.edu
Fax: 507.457.2554

**Exercise Science Faculty Internship Advisors:**
**Dr. Phil Appicelli**
Telephone: 507.457.5388 (800.242.8978)
E-mail: pappicelli@winona.edu
Fax: 507.457.2554

**Dr. Erin White**
Telephone: 507.457.2577 (800.242.8978)
E-mail: ewhite@winona.edu
Fax: 507.457.2554

**Internship Handbook:**
HERS website: [http://www.winona.edu/HERS](http://www.winona.edu/HERS) or the
HERS SharePoint: [https://mywsu.winona.edu/departments/he/default.aspx](https://mywsu.winona.edu/departments/he/default.aspx)

2. Meet with Faculty Internship Advisor about possible internship sites and determine student’s eligibility.
   - Review DARS Report
   - All major courses completed with grade of “C” or better and student meets 2.50 minimum GPA. (Cardiopulmonary Rehabilitation requires 2.8 minimum major GPA)
   - Bring and review résumé and cover letter. (Additional assistance is available from the Warrior Success Center 314 Maxwell Hall.) A database of past internship sites is on the HERS SharePoint https://mywsu.winona.edu/departments/hers/

3. Contact possible internship sites and ask about:
   - Types of internships available
   - Application procedures
   - Obtain copy of intern’s duties and responsibilities
   - Obtain credentials and experience of internship site supervisor for potential site (example: supervisor’s business card)

4. Meet again with Faculty Internship Advisor to discuss duties/responsibilities and credentials (per 3. above) and complete “Intent to Internship” form (page 8) with 2-3 site choices. This should be done at least 10 weeks prior to start of Internship. Submit “Intent to Internship” form to HERS Administrative Assistant.

5. Special Circumstance Appeal
   Student may file an appeal to the Department Chair if student and faculty advisor agree upon circumstances. (see page 4)

6. Meet with HERS Department Administrative Assistant for additional information and to complete all forms.
   - Important Notices
   - Student Background Study Forms: Students are financially responsible for background studies that meet both WSU and the internship site’s requirements
   - Reduced Student Activity Fee Authorization (if site is more than 50 miles away from Winona)
   - Health Information and Requirements for Internship Program
     - Proof of Medical Insurance
     - Dates of Mantoux (Tuberculosis) Test and all Immunizations.
     - CPR/AED and First Aid Certification Requirements (See Page 22)

7. HERS Department will e-mail affiliate agreement with cover letter to potential sites.

8. Once affiliate agreement is fully executed and all WSU requirements are met, obtain permission override to register for course. (Consider: Financial Aid, scholarships, personal insurance).

9. Intern reminders:
   - Submit logs, journals and other materials to Faculty Internship Advisor as directed
   - Follow up with site supervisor on timely filing of midpoint and final evaluation forms

10. Submit the Student Evaluation of Internship Supervisor and Site to Faculty Internship Advisor at end of internship. PowerPoint presentation is required of Public Health Majors. All paperwork will be reviewed for completion.
INTERNSHIP PROCESS

Objectives
The capstone internship experience affords student interns opportunities to:
- Participate in productive work activities as cooperative, contributing team members.
- Actively apply previously acquired knowledge and technological skills to meeting site/agency job requirements and expectations.
- Demonstrate interpersonal relations and communication skills as applied to on-the-job oral and written communications.
- Exercise decision-making and problem-solving abilities in performing self-directed work assignments.
- Evaluate current expertise and academic achievements in relation to agency/site needs and performance standards.
- Assess career plans and aspirations in relation to field experience.

Prerequisites
- A minimum major GPA of 2.5 or better. (Cardiopulmonary Rehabilitation requires 2.8 minimum major GPA)
- Completion of all major coursework.

Special Circumstance Appeal Process
Students may consider filing an appeal for the right to intern by following the procedure below:
If students have not completed all major coursework prior to the start of the intended internship, they must file a written appeal with the HERS Department. An application for appeal form is available from the HERS SharePoint site. Appeals will be reviewed by the HERS Department Chair and then by the HERS curriculum committee. The appeal process will take at least one month. Please note that a student may not begin his/her internship without departmental approval.

The curriculum committee will make recommendations based upon the following documents provided by the student:
- Student must explain his/her extraordinary circumstances
- Letter from the student’s major advisor supporting an early internship and the student’s abilities
- Copy of student’s academic record

Appeals should not be requested frivolously. An internship appeal represents a procedural safeguard for the student. Decisions made by the curriculum committee are final.

Planning
The application procedures for some intern sites recommend more than a semester’s notice. Therefore, begin planning early. Carefully read all forms, procedures and requirements.

Advising
Meet with your Faculty internship advisor to:
- discuss internship requirements
- discuss the search process for securing your internship

Qualifying Internship
- Since securing the internship experience is essentially the same as finding a professional position, you should use appropriate job search procedures to locate a qualifying internship experience.
- You are responsible for establishing and verifying the quality of your internship position. For a meaningful experience, qualifying positions must meet the following guidelines:
  o Interns should report to an on-site internship supervisor who is an experienced management/supervisory-level employee.
- Work experience must involve a challenging variety of responsibilities rather than repetitive, routine tasks in order to be a quality experience. Positions comparable to file clerk, record-keeper, or purely clerical in nature do not qualify.
- Special work assignments delegated to the HERS student intern may include special projects, administrative management and/or supervisory responsibilities consistent with the intern's academic preparation and background.
- If you have a double option within your major, each with an internship requirement, two distinct internships are required. This may be done at the same agency or different agencies but you must follow and complete all requirements such as hours, evaluations, summaries in a distinctly individual manner.
- Some internship sites provide a salary or stipend with the internship. This is acceptable as long as the internship meets the objectives of the HERS Department and is approved by the Faculty Internship Advisor.
- Internships involving a student's relatives in any capacity normally are not approved because of the potential conflict of interest.

**Interview**
- Arrange a face-to-face or phone interview with appropriate site/agency personnel to discuss all pertinent internship information and forms. Be sure to discuss such topics as the nature of your academic preparation in your subject discipline, criteria for qualifying for internship positions, detailed job description, monetary compensation, site supervisor's verification on reports and any other details necessary for a mutual understanding of internship requirements, conditions and standards.

**Credits/Work Hours**
- All internships are taken on a pass/no credit basis.
- The number of hours required for each internship varies based upon program standards for each subject discipline. Generally one semester (15 weeks) or equivalent is set aside to complete the internship with a total of 600 hours required.
- Students must work a minimum of 20 hours/week and no more than 45 hours/week. Fewer than 40 hours in any one week will necessitate additional weeks at the internship site. A student may not decrease the required consecutive internship weeks by consistently working more than 40 hours per week. Conversely, students working less than 40 hours per week must complete all internship requirements within 20 weeks, unless prior approval has been granted by the Faculty Internship Advisor.
- Students must begin and complete at least one-half (1/2) of the required hours during the semester in which registered.
- Students may enroll in a maximum of 18 credit hours per semester; however, the internship is a full-time commitment and this is strongly discouraged.
- Students in the HERS Department may complete only one internship per semester.

**Contract – Memorandum of Agreement**
After meeting with the appropriate Faculty Internship Advisor and at least 10 weeks prior to the start of the internship, the student intern must submit completed Intent to Internship form to the HERS Administrative Assistant. Upon receipt, the HERS Administrative Assistant will e-mail a Memorandum of Agreement and cover letter to potential sites.

**Registration**
Once the student intern completes all required documentation, has received confirmation from the internship site, and a fully executed Memorandum of Agreement is in place, the student intern should obtain a permission override from the HERS Administrative Assistant in order to register.

**Student Intern’s Responsibilities**
- Successfully complete the total work hours and job requirements as agreed upon with the on-site internship supervisor/site/agency and the Faculty Internship Advisor.
- Complete an Internship Log/Work Report and Journal for each week of the internship and review with the
on-site supervisor. Submit these as directed to the HERS Faculty Internship Advisor. Retain a copy for your own future use. Observe the usual standards for effective written communications.

☐ Complete and submit the Site/Supervisor Evaluation forms to the HERS Faculty Internship Advisor. (page 25)
☐ For Community Health/Public Health Interns – prepare a 15-minute illustrated (with photographs, etc.) PowerPoint presentation about your internship and either e-mail it as an attachment to the Faculty Internship Advisor OR set up a date to give your presentation in person to students in these majors.

(Note: In order to receive a final grade, all of the above must be satisfactorily completed and submitted to the HERS Faculty Internship Advisor within two weeks of completion of internship.)

Student Professional Liability Insurance
All WSU students enrolled in internships and/or practicum must purchase professional liability insurance. It is an industry standard that any individual involved with the wellbeing of another must carry malpractice insurance. Therefore, Minnesota State Colleges and Universities (MnSCU) provides a blanket liability insurance policy with American Casualty Company ($2 million per occurrence; $5 million aggregate) at a cost of $13.00 per academic year.

Student Health Insurance
All WSU students enrolled in internships must possess health insurance; some internship sites may require verification of coverage.

HERS Faculty Internship Advisor’s Responsibilities
☐ Meet with student interns.
☐ Approve eligibility of student.
☐ Review resume and cover letter.
☐ Approve internship site, supervisor and duties/responsibilities and Intent to Internship form.
☐ Receive and review daily/weekly intern logs & journals.
☐ Receive and review midpoint and final evaluations.
☐ Ensure that Intern Evaluation Forms (midpoint and final) are completed by the on-site supervisor and reviewed with student intern.
☐ Contact the site supervisor as necessary.
☐ Receive and review Site/Supervisor Evaluation form.
☐ Exit interview with the student intern.
☐ Assign final grade.

HERS Administrative Assistant’s Responsibilities
☐ Keep handbook and forms current on SharePoint site
☐ Receive the Intent to Internship form from the student intern and start file
☐ Start the Affiliate Agreement Process
☐ Meet with the student intern to complete forms:
  o Important Notices
  o Student Background Study/Studies, as required by WSU and Internship Site
  o Reduced Student Activity Fee (if applicable)
  o Collect Health Information & any other Requirements
☐ Explain MnSCU liability insurance to the student intern
☐ Track the Memorandum of Agreement and obtain appropriate signatures
☐ Process permission override in order for student to enroll in the internship.
☐ Send midpoint and final evaluations to site and identify Faculty Internship Advisor
☐ Give student intern’s file to appropriate Faculty Internship Advisor
☐ Route forms to appropriate Faculty Internship Advisor as necessary
1. View the internship search process as a learning experience that will provide insights into your future job searches. The HERS Department considers it the responsibility of prospective interns to locate their own internship sites. The Department provides a list of previous internships and national organizations publish site locations and directories to assist the search.

2. The Internet is an excellent source, in particular sites at the National Wellness Institute and ACSM. Also Directory Guides from national organizations can lead the student to specific internship sites at a wide range of geographical locations.

3. After compiling a list of possible sites that interest you, meet with your HERS Faculty Internship Advisor to discuss them.

4. Internship applications will usually proceed in one of two ways. If time permits, a cover letter and resume should be sent to the potential internship sites. Tips for sample cover letter and resume are available in this packet. This may then be followed up with a phone contact. If time is limited, direct telephoning may be your initial contact with the internship site. At all times during the search process, it is important to project a professional image.

5. Always remember to keep in touch with your HERS Faculty Internship Advisor during the search process. Your internship advisor may have information about potential internship sites and can provide coaching with cover letters, résumés, interviewing techniques, etc.

6. When you have a site that has agreed to accept you as an intern, verify that it meets the HERS site qualifications including: focus on subject area, professional in nature, new learning experience and on-site supervisor availability.

SAMPLE STUDENT’S INTERNSHIP COVER LETTER

(DATE)

(ADDRESS)

Dear (        ):

I am currently a (senior) at Winona State University majoring in Exercise & Rehabilitative Sciences: Exercise Science. As a part of my academic program, I am required to complete an internship, which will allow me to utilize the skills I am developing in my coursework. I would like to do this internship with (name of agency).

To date, I have completed coursework in (____________________) as well as (____________________). My minor in (__________________) further enhances my (__________________) degree by giving my (__________________) program a direct focus on (______________).

I have earned a (3.5) grade point average on a 4.0 scale.

As a part of my internship contract, I would need to work a minimum of 600 hours for your organization between (_____________and______________). This time can be changed to fit any special projects you might be working on which I might be of assistance. During the time period, I will (have no other obligations/list any other obligations).

If you are willing to consider the possibility of sponsoring an intern, please contact me, and I will forward letters of recommendation and a transcript of my coursework. At that time, I could also set up an appointment to talk with you further about my qualifications.

I have enclosed a resume for your review. I look forward to the possibility of interning with your organization and hope to hear from you in the near future.

Sincerely,

(Name)

CAREER OBJECTIVE
An internship promoting healthy lifestyles

EDUCATION & TRAINING
Winona State University, Winona, MN
B.S. in Public Health (Community Health Option), Communication Minor
Expected Graduation: Fall, 2010 GPA: 3.48/4.0

RELEVANT COURSEWORK
Nutrition
School & Community Health
Epidemiology
Behavioral Interventions
Personal & Community Health
Public Health
Health Promotion Skills
Health Promotion Skills
Program Planning in Health Promotion

RELATED EXPERIENCE
• Health Behavior Assessment of Rochester Community Technical College and Winona State University Project
  o Established and distributed a Health Needs Assessment Survey to students through Survey Monkey
  o Developed and distributed Health Needs Assessment Survey to students
  o Maintained and analyzed survey responses using Zoomerang survey database program
  o Successfully awarded a University Foundation Grant
  o Made recommendations to WSU Health Educator based on survey findings
• Grant Writing
  o Wrote an extensive grant proposal for non-profit organization
• Campaign for Safer Drinking Standards for students at Winona State University; designed poster, pamphlet, and website
• WSU Binge Drinking and First Year Students Investigation, Community Health Course
  o Researched and implemented several research methods related to college drinking “norms”
    ▪ Obtained data from comprehensive needs assessment
    ▪ Created and distributed personal interest surveys
    ▪ Conducted personal interviews
    ▪ Conducted and led focus groups
• Middle School Health Experience
  o Worked with local Middle School health teacher to develop a student led Health Fair
  o Assisted students with research of health topics and displays for school Health Fair
OTHER EXPERIENCE
- Any town Park District, Any town, MN
  - Camp Counselor: 5/2008 – present
    - Safety: Promoted safe environment, counseled healthy living for children
    - Responsibility: Created daily agendas, supervised children at all time
- Any town Fitness Center, Any town, MN
    - Customer Service: Communicated with colleagues, patrons, and children
    - Leadership: Supervised swim lessons and enforced rules to patrons
    - Safety: Maintained safe environment for adults and children

SKILLS AND CERTIFICATIONS
- Adult, Child and Infant CPR, American Red Cross
- AED Essentials, American Red Cross
- Disease Prevention, American Red Cross
- Experience with Computers: Proficient with Windows, Office packages (Word, PowerPoint, Excel, Access), data processing packages (Epi Info, SPSS), and computer design packages (Adobe Photoshop and InDesign)

COMMUNITY SERVICE
- Breast Cancer Fundraiser, 2009: Helped organize and run fundraiser
- Winona Middle School, 2009, 2008: Helped 6th grade health class organize a health fair
- Flood Disaster Relief, 2007: Minnesota City, Spent time helping families rebuild their homes
- Winona Food Drive, 2007: Worked with community for two weeks collecting canned food
- Adopt-A-Family, 2009, 2007: Adopted numerous families and provided them with gifts for the holidays

EXTRA-CURRICULAR ACTIVITIES
- Women’s Health Issues Club: Assistant Vice President, 2008 - present
- H.O.P.E (Health Organization for Promotion and Education): 2008 - present
- College Intramural Team: Soccer, 2008

AWARDS AND HONORS
- Dean’s List: Winona State University, 2014
- Etiquette Dinner: Winona State University, 2013
- Honor Student: Winona State University, 2013
REASONABLE ACCOMMODATIONS

There are conditions for which accommodations may be appropriate under the Americans with Disabilities Act. The Health, Exercise & Rehabilitative Sciences Department will make all reasonable accommodations required by law for otherwise qualified individuals. To receive accommodations, you must contact the Office of Disability Services, located in Maxwell 313. The telephone number is 507.457.5878.

RESPONSIBILITY FOR HEALTH CARE COSTS

Any health care costs incurred during the period of time you are a student in the Health, Exercise & Rehabilitation Programs will be your responsibility. Students enrolled in a Winona State University HERS program are required to have proof of health insurance.

WORKERS’ COMPENSATION

It is the position of the internship site/facility and the College/University that, as a WSU student intern, you are not an employee of either the site or the College/University for purposes of Workers’ Compensation insurance. (However, if you are officially employed by the site, you would follow the site’s workers’ compensation policy.)

BACKGROUND CHECKS

An integral part of the HERS Program is the experiential education opportunities. To provide this experience, the College/University contracts with organizations outside of the University. State law requires that any person who provides services which involve direct contact with community members or others outside the University have a background study conducted by the State. A site may initiate a background study by asking you to complete a form so that a background check can be conducted. If, as a result of the background study, you are disqualified from direct contact, it is highly unlikely that the site will be able to allow you to participate in its internship program. If you refuse to cooperate in the background check, the facility will refuse to allow you the internship opportunity. The HERS Program does not guarantee an alternative site placement.

DATA PRACTICES ADVISORY AND INFORMED CONSENT

Some facilities also impose certain requirements regarding the health of persons working in their facilities and may require that health information about students in internship programs be made available to them. The College/University may ask you to provide health information which will be used to determine whether you meet an internship site’s health requirements for care providers. Health information collected is private data on you. A site may refuse to allow you to participate based on data provided by you. The information provided will be disclosed, as needed, to the Department of HERS and, should any site request the data, to any site where you are placed as a student intern. You are not legally required to provide this information to the HERS Department. However, refusal to provide the information requested could mean that a facility may refuse to accept you at its site. The HERS Department does not guarantee an alternative placement.

I hereby authorize the Department of Health, Exercise & Rehabilitative Sciences to release my health information to any facility to which I am assigned during my HERS education, should the facility request the information. This authorization is valid for one year from the date on my background study clearance.

BACKGROUND INFORMATION DISCLOSURE INSTRUCTIONS

The Background Information Disclosure form (HFS64) gathers information as required by the Wisconsin Caregiver Background Check Law to help employers and governmental regulatory agencies make employment, contract, residency, and regulatory decisions. Complete and return the entire form and attach explanations as specified by employer or governmental regulatory agency.

CAREGIVER BACKGROUND CHECK LAW

In accordance with the provisions of sections 48.685 and 50.065 of the Wisconsin Statutes, for persons who have been convicted of certain acts, crimes or offenses:

1. The Department of Health and Family Services (DHFS) may not license, certify or register the person or entity (Note: Employers and Care Providers are referred to as “entities”);
2. A county agency may not certify a child care or license a foster or treatment foster home;
3. A child placing agency may not license a foster or treatment foster home or contract with an adoptive parent applicant for a child adoption;
4. A school board may not contract with a licensed child care provider; and
5. An entity may not employ, contract with or permit persons to reside at the entity.

A list of barred crimes and offenses requiring rehabilitation review is available from the regulatory agencies or through the Internet at http://www.dhfs.state.wi.us/ at the Licensing link and then under the Caregiver Program link.

THE CAREGIVER LAW COVERS THE FOLLOWING EMPLOYERS / CARE PROVIDERS (REFERRED TO AS “ENTITIES”)

<table>
<thead>
<tr>
<th>Programs Regulated Under</th>
<th>Treatment Foster Care, Family Child Care Centers, Group Child Care Centers, Residential Care Centers for Children and Youth, Child Placing Agencies, Day Camps for Children, Family Foster Homes for Children, Group Homes for Children, Shelter Care Facilities for Children, and Certified Family Child Care.</th>

THE CAREGIVER LAW COVERS THE FOLLOWING PERSONS

- Anyone employed by or contracting with a covered entity who has access to the clients served, except if the access is infrequent or sporadic and services is not directly related to care of the client.
- Anyone who is a Child Care Provider who contracts with a School Board under Wisconsin Statute 120.13 (14).
- Anyone who lives on the premises of a covered entity and is 10 years old or over, but is not a client (“nonclient resident”).
- Anyone who is licensed by DHFS.
- Anyone who has a foster home licensed by DHFS.
- Anyone certified by DHFS.
- Anyone who is a Child Care Provider certified by a county department.
- Anyone registered by DHFS.
- Anyone who is a board member or corporate officer who has access to the clients served.

FAIR EMPLOYMENT ACT

Wisconsin’s Fair Employment Law, ss. 111.31 - 111.395, Wisconsin Statutes, prohibits discrimination because of a criminal record or pending charge; however, it is not discrimination to decline to hire or license a person based on the person’s arrest or conviction record if the arrest or conviction is substantially related to the circumstances of the particular job or licensed activity.

PERSONALLY IDENTIFIABLE INFORMATION: This information is used to obtain relevant data as required by the provisions set forth by the Wisconsin Caregiver Background Check Law. Providing your social security number is voluntary, however your social security number is one of the unique identifiers used to prevent incorrect matches. For example, the Department of Justice uses social security numbers, names, gender, race, and date of birth to prevent incorrect matches of persons with criminal convictions. The Department of Health and Family Services’ Caregiver Registry uses social security numbers as one identifier to prevent incorrect matches of persons with findings of abuse or neglect of a client or misappropriation of a client’s property.
BACKGROUND INFORMATION DISCLOSURE

Completion of this form is required under the provisions of sections 48.685 and 50.065 of the Wisconsin Statutes. Failure to comply may result in a denial or revocation of your license, certification or registration; or denial or termination of your employment or contract. Refer to the attached instructions (HFS-64 A) for additional information. Providing your social security number is voluntary, however, your social security number is one of the unique identifiers used to prevent incorrect matches.

Please print your answers.
Check the box that applies to you.
☐ Employee / Contractor (including new applicant) ☐ Household member / lives on premises - but not a client
☐ Applicant for a license or certification or registration (including continuation or renewal) ☐ Other – specify:

NOTE: If you are an owner, operator, board member, or nonclient resident of a Bureau of Quality Assurance (BQA) regulated facility (1) print only your first, middle and last name; (2) complete Sections A and B; (3) sign the form; (4) complete the Appendix, HFS-69, in its entirety and (5) submit this form and the Appendix to the address noted in the Appendix Instructions.

1. Do you have criminal charges pending against you or were you ever convicted of any crime anywhere, including in federal, state, local, military and tribal courts?
   ➢ If Yes, list each crime, when it occurred or the date of the conviction, and the city and state where the court is located. You may be asked to supply additional information including a certified copy of the judgement of conviction, a copy of the criminal complaint, or any other relevant court or police documents.

2. Were you ever found to be (adjudicated) delinquent by a court of law on or after your 10th birthday for a crime or offense? (NOTE: A response to this question is only required for group and family day care centers for children and day camps for children.)
   ➢ If Yes, list each crime, when and where it happened, and the location of the court (city and state). You may be asked to supply additional information including a certified copy of the delinquency petition, the delinquency adjudication, or any other relevant court or police documents.

3. Has any government or regulatory agency (other than the police) ever found that you committed child abuse or neglect? A response is required if the box below is checked:
   ☐ (Only employers and regulatory agencies entitled to obtain this information per sec. 48.981(7) are authorized to, and should, check this box.)
   ➢ If Yes, explain, including when and where it happened.

4. Has any government or regulatory agency (other than the police) ever found that you abused or neglected any person or client?
   ➢ If Yes, explain, including when and where it happened.

(Continued on next page)
### Section A - Continued

5. Has any government or regulatory agency (other than the police) ever found that you misappropriated (improperly took or used) the property of a person or client?
   - If Yes, explain, including when and where it happened.

6. Has any government or regulatory agency (other than the police) ever found that you abused an elderly person?
   - If Yes, explain, including when and where it happened.

7. Do you have a government issued credential that is not current or is limited so as to restrict you from providing care to clients?
   - If Yes, explain, including credential name, limitations or restrictions, and time period.

### Section B - OTHER REQUIRED INFORMATION

1. Has any government or regulatory agency ever limited, denied or revoked your license, certification or registration to provide care, treatment or educational services?
   - If Yes, explain, including when and where it happened.

2. Has any government or regulatory agency ever denied you permission or restricted your ability to live on the premises of a care providing facility?
   - If Yes, explain, including when and where it happened and the reason.

3. Have you been discharged from a branch of the US Armed Forces, including any reserve component?
   - If Yes, attach a copy of your discharge papers (DD214) if you were discharged within the past 3 years.
   - You may be asked to provide a copy of your DD214 if your discharge occurred more than 3 years ago.

4. Have you resided outside of Wisconsin in the last 3 years?
   - If Yes, list each state and the dates you lived there.

5. Have you had a caregiver background check done within the last 4 years?
   - If Yes, list the date of each check, and the name, address and phone number of the person, facility or government agency that conducted each check.

6. Have you ever requested a rehabilitation review with the Wisconsin Department of Health and Family Services, a county department, a private child placing agency, school board, or DHFS designated tribe?
   - If Yes, list the review date and the review result. You may be asked to provide a copy of the review decision.

A "NO" answer to all questions does not guarantee employment, residency, a contract or regulatory approval.

I understand, under penalty of law, that the information provided above is truthful and accurate to the best of my knowledge and that knowingly providing false information or omitting information may result in a forfeiture of up to $1,000.00 and other sanctions as provided in HFS 12.05 (4), Wis. Adm. Code.

NOTE: You will NOT be allowed in practicums or internships without the required supporting documentation! If you have questions about any of this information, please contact the Health, Exercise & Rehabilitative Sciences Department.

_______ Date & results of mantoux (tuberculin skin) test. Mantoux tests are required yearly.

_______ Copy of immunization records from healthcare provider. (Diphtheria-Tetanus; Measles, Mumps, & Rubella [MMR]; Polio; Hepatitis B)

_______ Proof of medical/health insurance. (copy of insurance card)

All practicum/internship students must be covered by health insurance: your own policy, that of your parents or through Medical Assistance. Minnesota State Colleges and Universities (MnSCU) has decided to no longer offer health insurance for domestic students for the 2014-2015 academic year. There are two Minnesota Health Care Programs MnSCU students may qualify for due to their income status, they are Medical Assistance (MA) or MinnesotaCare. Students currently enrolled in Medical Assistance or MinnesotaCare programs will automatically be moved to MNsure as part of their renewal process. If a student is not currently enrolled in one of these programs and would like to know if they qualify for either of them, their eligibility status will automatically be reviewed when they apply for coverage through MNsure. Additional information regarding Medical Assistance or MinnesotaCare can be found on health insurance marketplace MNsure https://www.mnsure.org/

_______ Complete MN Background Study form

_______ Complete Important Notices form

_______ Proof of current First Aid certification (copy of card)

_______ Proof of current Adult CPR/AED certification (copy of card)

[CR majors: Basic Life Support for Healthcare Providers or CPR/AED for the Professional Rescuer]

PROFESSIONAL LIABILITY INSURANCE
All students in practicum or internships will be billed by Winona State University yearly for professional liability insurance coverage. The policy is an occurrence-based professional liability insurance with $2,000,000/$5,000,000 limits of coverage. No proof of liability insurance coverage is required from you at this time.

Student will also be responsible for completing additional site-specific requirements and documentation, as requested.

The information provided to the HERS Department for my practicum or internship is accurate, current & complete. Any falsification of this information is sufficient cause for dismissal from the Health, Exercise & Rehabilitative Sciences Major.

__________________________  __________________________
Student Signature Date
HEPATITIS B VACCINE DECLINATION

Name: _______________________________________________________________

Tech ID Number________________________________________________________

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B (HBV) infection.

However, I decline Hepatitis B vaccination at this time.

I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. I accept all responsibility for the consequences of my decision to decline.

If, in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series.

I also understand that I will bear the expense of the series of vaccine injections and will notify and submit documentation to the HERS office that the series has been completed.

Signature: ________________________________ Date: _________________

(Revised 1/23/03)
**CPR/AED & FIRST AID CERTIFICATIONS**

Student interns must be certified in CPR for ADULT resuscitation. This certification is available from the American Heart Association (Healthcare Provider Course) or the Red Cross (CPR for the Professional Rescuer Course). You are responsible for keeping track of your CPR expiration date; and you are responsible for getting re-certified in CPR if the expiration date occurs prior to the end of the internship period. In addition, Standard First Aid certification must be current. CPR and Standard First Aid certifications MUST be current throughout the period of the internship. You will need to submit photocopies (front and back) of CPR/AED and First Aid cards, indicating date issued, expiration date, and instructor’s signature.

TOTAL HOURS 40

II. SEQUENCE OF EVENTS

Make a brief list describing what happened. By making a list, you keep a record of what happened. This record may be useful for future reference. It allows you to mention all events, even those that seemed insignificant at the time. For example:

**Monday**
Mayo Orientation – Mayo Service: You Make the Difference, Employee Policy Information, Mutual Respect/Sexual Harassment, Safety/Infection Control/Employee Health Service/Employee Assistance Program, Activities/Recognition and Recreation Programs/Dan Abraham Healthy Living Center/Children’s R & R; observed staff members.

**Tuesday**
Basic review of job at the DAHLC; defibrillator training; observed staff members.

**Wednesday**
Cardiovascular equipment troubleshooting; DAHLC database training; observed staff members.

**Thursday**
Observed staff members; had discussion with Dr. Morrey about what projects I will be involved with; sat in an Action and Implementation Team Meeting – discussed orientation process and improvements to be made; started absenteeism research – search system for absenteeism rates for current new members.

**Friday**
Observed staff members; worked on absenteeism research.

**Saturday**
Did not work today.

**Sunday**
Did not work today.

III. ELABORATION OF ONE OR TWO SIGNIFICANT EXPERIENCES OF THE WEEK

Select one or two experiences that are significant to you. An experience may be significant because what happened bothers you, excites you, causes you to rethink your initial ideas (i.e., your perspective, goals, or plans), or convinces you that your initial ideas were valid. Therefore, whether the experiences reflect your successes or your failures, they are significant if you learned something important from them. Once you have selected one or two significant experiences, you should describe them in detail. When you describe the experience, try to relive it. Reliving the experience will enable you to provide as much detail as possible. Make sure that you include what people said, what they did, and how they looked.

**Topics might include:**
- new technology, equipment and tools I worked with
- new knowledge, skills or related information I gained from this week’s work,
- highlights of this week – new/different/interesting experiences,
- interesting relations incidents I observed during this week: (example: observation of management techniques/supervisory styles, communication problems, conflict resolution methods)
- meetings, consultations or training sessions I observed and/or participated in during this period.

IV. ANALYSIS OF EXPERIENCE(S)

An analysis of experience includes an interpretation of what feelings and thoughts may have caused the experience to occur, why they were significant, what questions they raise, and what you think you learned from them. Try to figure out what you accomplished; identify problems that emerge and how you plan to follow up. This last point is the most important. You may have learned what does and does not work in this situation. If so, describe what you conclude. But you may also have learned something about your philosophy (your perspective). Does the experience confirm your ideas or force you to reconsider them? If so, what was it about the situation that affected the applicability of the ideas? Perhaps the episode relates to something you read or learned about in this or some other education course. This would be the place to discuss it. Many experiences raise more questions than they answer.
STUDENT EVALUATION of Internship Supervisor and Site

Instructor/ Site Evaluation
5- Strongly Agree- excellent learning experience
4- Agree- valuable learning experience
3- Disagree- improvement would facilitate my learning
2- Strongly Disagree- great improvement is necessary for student learning to take place
1- Not enough information to comment

Public Health Internship Supervisor's Evaluation Form

Thank you for undertaking this evaluation of your interns’ work. Please award students a grade (1 – 5) for each competency listed in the rubric below. If a competency is not applicable to the internship, please write in ‘N/A.’ Please write any other comments you have about the student in the space below the rubric. If you have a question or comment please contact the internship supervisor whose address is at the end of this form.

Please check one
