Mission - The Winona State University Department of Intercollegiate Athletics, as an integral part of the University's educational mission, is committed to offering opportunities to experience academic and athletic excellence for our student-athletes through two simple words: Graduate Champions. The Department provides for the emotional, physical and social well-being and development of the student-athlete. In the Department's attempt to “Graduate Champions,” the individual growth and progress of our student-athletes is nurtured by offering opportunities for success in the classroom as well as the development of leadership, skills and talents in the field of competition. An intercollegiate athletics program enhances the University experience for both the participant and the observer. The Department strives to encourage unity within the Winona State University community by providing a program of excellence, honor and integrity.

Philosophy - The Winona State University Department of Intercollegiate Athletics, through our stated mission and goals, shall advance the mission of Winona State University and support the educational objectives and academic progress of our student-athletes. Furthermore, we support the Sixteen Principles for Conduct of Intercollegiate Athletics, as stated in Article 2 of the National Collegiate Athletic Association Division II Manual. These principles guide the decision-making process at WSU and provide general standards in the areas of Institutional Control and Responsibility; Student-Athlete Well-Being; Gender Equity; Sportsmanship and Ethical Conduct; Sound Academic Standards; Nondiscrimination; Diversity within Governance Structures; Rules Compliance; Amateurism; Competitive Equity; Recruiting; Eligibility; Financial Aid; Playing and Practice Seasons; Postseason Competition and Contests Sponsored by Noncollegiate Organizations; and the Economy of Athletics Program Operation. We also strive to adhere to the values espoused in the NCAA Division II Philosophy Statement, as found in NCAA Division II Article 20.10, and the Division II Strategic Positioning Platform, which advocates development in six key attributes: Balance, Learning, Passion, Resourcefulness, Service and Sportsmanship. As a proud NCAA D-II member, WSU fully supports the ideals and mission of the Division II Community.
Strategic Goals

The following strategic goals reflect six critical components of Winona State University’s Department of Intercollegiate Athletics. Success in meeting these goals over the next five years will position student athletes to realize their academic and athletic potential. The goals are organized purposefully, with the first reflecting the University’s primary emphasis - success of our students. Goals two through five reflect critical operational components which must be in place to meet the final goal - successful competition. Successfully realizing the implementation strategies identified under each of the six strategic goals will move the Department of Intercollegiate Athletics toward its vision and allow it to be successful in meeting its mission.

I. Student Success: Expand and strengthen the positive relationship between student athletes in the classroom and their success as competitive athletes and responsive community members. This goal provides the basic foundation that links life-long achievement goals of student athletes to the University’s primary role of providing programs and activities that prepare students to be successful throughout all facets of their lives, including but not limited to career development, diversity, safety, citizenship, and personal growth and wellness.

II. Governance and Structure: Establish consistent procedures that relate to all areas of Staffing, Compliance, Title IX/Gender Equity and Minority Opportunities.

III. Facilities: Inventory athletics facilities and develop the information required to systematically preserve and enhance the functional and financial value of Winona State University’s sports facilities assets, while developing plans and funding for new facilities.

IV. Finances: Attain financial stability by maintaining and expanding existing revenue sources, identifying and securing additional funding to support student athlete scholarships, hiring and retaining quality staff, and increasing existing operation and recruiting budgets for all sports.

V. Marketing and Reputation: Strengthen Winona State University Department of Intercollegiate Athletics’ role as a “front porch” to the University and Southeast Minnesota by focusing on the integrity and image of the Department to its internal and external constituencies, including students, faculty/staff, community and alumni.

VI. Successful Competition: Student athletes in each sport will contend for a Northern Sun Intercollegiate Conference championship, reach post season play, and graduate at rates above the Winona State University five year graduation rate.
