

**Graduate Induction Program Recommendation Form
Winona State University**

Applicant:
<p>is applying to be a Resident in the Winona State University/Rochester Public Schools' Graduate Induction Program. This program is designed to provide clinical support to first-year K-6 teachers (Graduate Residents) licensed to teach Elementary Education.</p> <p>Fully licensed WSU Residents assume full responsibility for a K-6 classroom setting while pursuing a M.S. in Education. The Resident gains one year of teaching experience in the school system, receives a stipend from Winona State University, and is awarded a tuition waiver for 32 graduate credits towards a Master's degree.</p> <p>Because of the rigorous nature of the program, those offered residencies must be academically able to successfully complete graduate work, while teaching full-time.</p>
