In Support of Governor Dayton's Public Works Proposal

Whereas, Governor Dayton announced a proposal which would allocate \$274.5 million for Minnesota State campuses;

Whereas, this investment would benefit classrooms and facilities at Winona State University.

Whereas, this investment would increase Winona State University's ability to enroll students in competitive programs

Therefore, be it resolved, Winona State University Student Senate supports Governor Dayton's proposal.

Be it further resolved, Winona State University Student Senate President, Ben Reimler, will advocate for the the passage of a bonding bill which would allocate HEAPR funding for WSU.

A handwritten signature in black ink, appearing to read 'Ben Reimler', written over a horizontal line.

Benjamin Reimler
President | Winona State University Student Senate
