In Support of Pedestrian Safety

Whereas, Winona State prides itself on having a safe campus for all students.

Whereas, many Winona State students commute to campus by walking or biking on a daily basis.

Whereas, the city of Winona lacks pedestrian safety lights around the campus of Winona State.

Whereas, the implementation of additional pedestrian safety lights would protect Winona State students and the community at large.

Whereas, the Student Senate president is the voice of Winona State students and advocates on their behalf.

Therefore be it resolved, WSUSS supports the addition of pedestrian safety lights on Main street and Huff street near the main campus.

Be it further resolved, that the WSUSS President submits public comments to the Winona City Council regarding pedestrian safety.

Be it further resolved, that the WSUSS President advocate for the implementation of pedestrian safety lights at the pedestrian safety committee on Thursday, October 10th.
