EDUCATION

Doctor of Philosophy in Counselor Education, University of South Carolina, 1999
Master of Arts Degree in Agency Counseling, Appalachian State University, 1988
Bachelor of Arts Degree in Psychology, University of North Carolina, 1984

PROFESSIONAL EXPERIENCE

Professor Winona State University, 1999-current (Chair Position, 2012-2018). Duties include:

- teaching travel study/faculty led course (Guatemala: 2008-12),
- teaching community and school counseling courses (including school and community practicum and internship, Group Process, Counseling Theory and Practice, Career Development and Assessment, Orientation to Clinical Mental Health Counseling, Lifespan Development, Theory and Practice of Sexual, Addiction and Crisis Counseling,
- teaching workshops on areas of specialization such as gestalt therapy, co-dependency issues, tobacco addiction, wellness, multicultural counseling/identity development, positive psychology;
- teaching undergraduate career and life planning classes (many of these courses are taught in 'smart classrooms' and via online resources, D2L and Zoom);
- scholarly activities including publications and presentations at national, regional and local conferences on multicultural counseling competency, Education Trust, research and advocacy efforts in K-12 settings, and counselor education and training.
- contribution to community projects include career counseling Hispanic high school students in the local school district (2005-09), serving on the local School-to-Work board (1999-2004), and working with the Rochester Minnesota school district counselors on a Transforming School Counseling Initiative (1999-2007).
- serve as Chi Sigma Iota Faculty chapter Rho Sigma Upsilon Advisor (2000-current).
- academic advisor to CED graduate students: 1999-current.

WSU Counselor Education Rochester Workshop Series Coordinator, 2012-current:
coordinate workshops and hire instructors for weekend workshop 1 credit courses (3-4 workshops per fall and spring; 2 workshops per summer).

Private Practitioner

Counseling telehealth clients via Better Help, October 2020-current
<https://www.betterhelp.com/mary-fawcett/>

Doctoral Training, University of South Carolina, fall, 1997-Spring, 1998. Two teaching internships of graduate level EDCE 600 (Communication Skills); counseling practicum, Lower Richland High School Guidance Department; supervision practicum with school counselors in elementary, middle and secondary education.

Graduate Assistantship, LINC (Ladders in Nursing Careers), South Carolina Health Alliance, Columbia, South Carolina, August 1996-June 1999. Engaged in cross-cultural individual and career counseling with nursing assistant staff and acted as assistant to Coordinator of LINC; presented workshops to students on stress management, study skills, parenting stress, and test anxiety; coordinated and maintained support programs in South Carolina at ten hospital sites and eight technical schools.

Private Practitioner, Boone, North Carolina, June 1992-June 1996. Provided individual and group counseling services to adults (most common concerns included depression, grief counseling for post-divorce issues, anxiety, sexual abuse, and self-esteem issues).

Adjunct Instructor, Appalachian State University, Boone, North Carolina, August 1994-June, 1996. Taught graduate courses in Community Counseling Internship, Life and Career Planning, Group Methods and Processes, and Human Relations. Co-developed assessment form for intern site supervisors.

Student Support Services Counselor/Coordinator, Caldwell Community College, Boone, North Carolina, August 1994-June 1996. Provided direct service counseling and referrals, taught undergraduate course in Personal Development and Orientation; coordinated the Student Support Services program; implemented tutoring services; and organized cultural programs. Met with faculty and conducted student conferences. Supervised a counseling practicum graduate student in a group setting for one quarter.

Director of Counseling Services, Lees-McRae College, Banner Elk, North Carolina, August 1989-1994. Delivered direct service counseling to students, faculty and staff, on developmental issues, job/career issues, family issues, eating disorders, sexual abuse issues, violence issues, addictions and anxiety disorders. Built counseling program and planned/implemented career counseling program. Gained CAS accreditation (Council for Standards in Higher Education) for the Career Planning Program and Counseling Services. Served as on-call counselor and engaged in crisis intervention when necessary. Worked with referrals/commitments to area private practitioners, Cannon Hospital Psychiatric Unit, New River Mental Health Department (Avery and Watauga Counties), Highland Hospital, and Appalachian Hall Hospital. Also conducted research on entering Freshmen from 1991-1993 on sexual activity, sexual identity issues, and drug use for program development in residence halls and Davis Health Service programs.

Coordinated Southeastern Small Counseling Center Coalition: conducted research on small counseling center staff, created and maintained a newsletter for forty counselors, edited articles of interest and support for the "one person counseling center". Presented workshop on advocacy and research efforts for the small counseling center.

Administratively supervised Career Counselor and Davis Health Services R.N. Clinically supervised a semester each of two graduate interns, and three graduate practicum students. Supervised a work-study student. Served on four committees: Chair of Wellness Committee for faculty and staff; Chair of OSHA Blood borne Pathogen Committee; member of the Student Life Committee; and member of SACS self-study of Library.

Taught general psychology classes for eight semesters, delivered programs in classes and residence halls on prevention of date rape, alcohol abuse, and drug use, delivered week-long programs on stress management, AIDS/HIV and STD's, offered programs on relationships, sexuality, women's and men's issues, and utilized the Myers-Briggs personality inventory for

personality style workshops for faculty, staff, and students, co-trained Freshman Seminar class instructors, consulted with faculty and staff, planned and implemented successful system of immunization compliance in Davis Health Services, increased availability of campus nurse, and implemented condom availability on campus.

Interim Staff Counselor. Appalachian State University Counseling and Psychological Services Center, Boone, North Carolina, January 1989-June 1989. Delivered individual counseling, group counseling, and intake/emergency sessions. Served on-call emergency counseling services. Delivered direct service career counseling at Peer Career (a Para-professional career counseling service). Hired, trained and supervised paraprofessional career counselors.

Graduate Intern. Appalachian State University Counseling and Psychological Services Center, Boone, North Carolina, August 1988-December 1988. Delivered individual counseling, career counseling and co-lead an Adult Children of Alcoholics Group. Taught undergraduate Life and Career Planning course. Co-developed Peer Career. Trained and supervised paraprofessionals.

Graduate Assistant. Appalachian State University Counseling and Psychological Services Center, Boone, North Carolina, August 1987-May 1988. Delivered direct service counseling, group counseling, and career counseling in the counseling center.

Testing Proctor. Appalachian State University Counseling and Psychological Services Center, Boone, North Carolina, August 1987-1996. Administered/Proctored GRE, NTE, GMAT, and LSAT.

Helpline Crisis Counselor Trainer. Orange Person Chatham Mental Health Center, Chapel Hill, North Carolina, January 1984-January 1985. Trained paraprofessional crisis counselors in areas of counseling skills, crisis intervention counseling, education of community organization, education of mental health/disorders, and effective professional communication with various mental health clinicians.

Helpline Crisis Counselor. Orange Person Chatham Mental Health Center, Chapel Hill, North Carolina, June 1982-May 1985. Provided crisis counseling which included dealing with issues of suicide, rape, battered women, substance abuse, and mental health. (Time commitment was twelve hour/month for three years. Helpline is one of the largest crisis centers in the country and it has received awards for its' excellent training program.)

Related Professional Experiences

Book reviewer for Cengage Learning, October, 2009-2012.

Article manuscript reviewer for special issue for the Journal of Humanistic Counseling, Education, and Development, spring, 2010.

Research Activities

Fall 2021: Rho Sigma Upsilon Study on Peer Support for new Counselor Education Students by advanced Counselor Education Students. Presented at CSI Days at ACA, 2022

Fall 2019-Fall 2021: A Qualitative Study: How does talking with and listening to migration experiences of immigrants impact white counselors' perception of multicultural counseling competence and self-efficacy? (Co-researchers include Dr. Dawnette Cigrand and Dr. Rieko Miyakuni)

Fall 2019-Fall 2021: A Qualitative Study: Refugee and Immigrant Experiences of Transition to Life in the U.S. (Co-researchers include Dr. Patricia Arredondo and Dr. Dawnette Cigrand)

Fall 2019-Fall 2020: Rho Sigma Upsilon Study on Multicultural Counseling Competency Impacted by Local Community Immersion Activities, year-long quantitative study. (Co-researchers include Dr. Miyakuni and CSI students). Presented at CSI Days, ACA 2020

Fall 2018: Rho Sigma Upsilon: Study on Multicultural Counseling Competency Impacted by Immersion Activities Chi Sigma Iota Multicultural Immersion Research, quantitative data gathering fall term, analysis completed February 2019 with Dr. April Kerby, presented at ACA, New Orleans, March 2019.

Spring, 2010: Pain Management Research with Winona area chronic pain patients. Data gathered on pre-post pain level scores and depression/anxiety/stress levels. Interventions measured included SIT model and cognitive-behavioral activities.

Spring, 2010: Counselor Education Survey with national sample of CACREP counselor education faculty. Data gathered included training levels of counselor education instructors in multicultural competencies.

Spring, 2010: Multicultural Competency Development via Guatemala Travel Study. Multicultural counseling competencies data gathered on graduate students via assessment delivered pre/post Guatemala travel study course.

Spring, 2008: Multicultural Competency Development via Guatemala Travel Study. Multicultural counseling competencies data gathered on graduate students via assessment delivered pre/post Guatemala travel study course.

Spring, 2008: Onsite Counseling Clinic Survey to CACREP training programs. Data collected on percentage of counselor education programs that offer onsite counseling services and related information (reasons for an onsite clinic, risks and benefits, supervision issues, administrative process, etc.).

Spring, 2006: Minnesota School Counseling and Research Coalition is currently developing and preparing to survey 1400+ K-12 school counselors on training, programs and services. Researchers will use data to educate communities, school boards and legislative leaders on training and services of school counselors. Grant monies were secured and findings will be available.

Fall, 2005: No Child Left Behind data gathering: demographic and discipline data collected on high risk students and counseling interventions at the elementary level, Rochester district schools, shared with community and Rochester School Board.

Fall, 2004: Transforming School Counseling data gathering on pre-post bullying and comparison with Rochester district schools, shared with community and Rochester School Board.

2000-2004: Transforming School Counseling data gathering on elementary counseling and effect on achievement from 2000, Rochester, MN, 2003, shared with community and Rochester School Board.

2002: Transforming School Counseling data gathering on K-12 risk factors and achievement, Rochester, MN, 2002

2000: “A pre-post study of high school career decision-making levels during the implementation of the first year of a new career development program”, study done with all students at mid-western high school

1999: Qualitative study of African American women’s career issues in SC nurses aide program, unpublished raw data

1999: “A Quantitative Study of the Effects of Vocational Programs on Career Decisiveness Levels of High School Seniors”, doctoral dissertation
