I am in WSU-R's elementary ed. program. All the classes I will need will be completed in the fall and spring semesters.

**Q10 - Is there anything you would like us to know regarding WSUmmer that was not addressed in this survey?**

Have more education major classes open in the summer that are harder to get into during regular fall and spring semesters

---

Idk how fafsa is affected by summer classes and I feel that is an important thing that students need to be mindful of

---

no. Its great these classes are offered!

---

Students would prefer the ability to opt-in for a "reduced student fee" for summer term when taking online/predominately online/weekend courses.

---

I feel like there should be more information about summer housing out there. It would also be helpful to have a meeting in East Hall for those who are interested in taking summer classes at WSU, in order for us to get more information.

---

Summer living in east lake is too expensive

---

Not much, it was a little hard to find the prices.

---

For any kind of study, I prefer face to face. And in WSU, summer courses are all online.

---

I wish more options were given for online goal areas especially goal 3. Also, goal 3 lab classes are very hard to take with art classes because art classes are 3 hours and run into lab times.

---

Classes should be completely online or at 6:00 PM, as people typically have full-time jobs in the summer

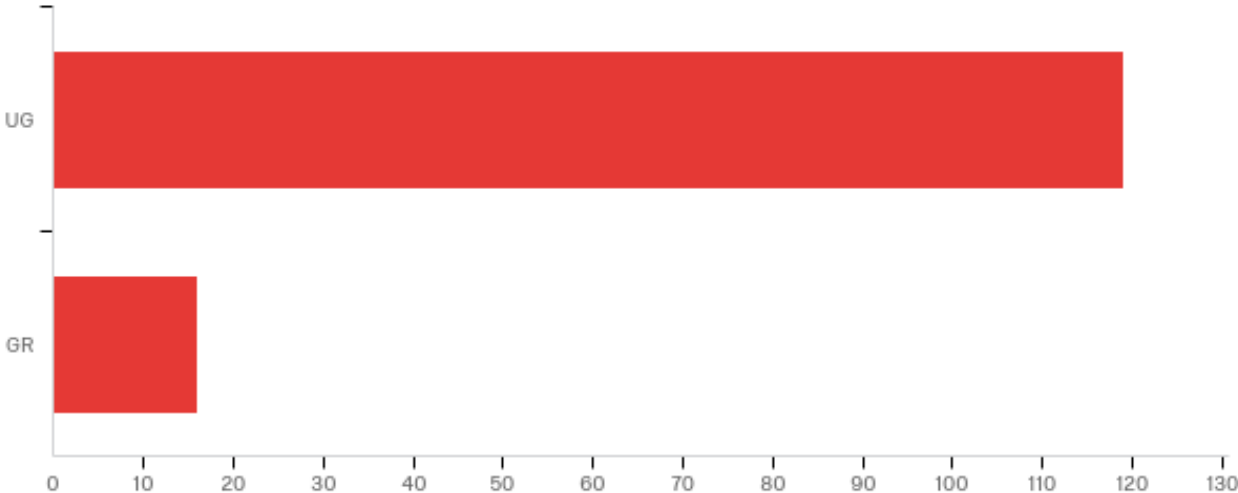

---

I would like a list of all classes available to be taken over the summer

---

Do you have to pay for completely online courses in the summer?
