I will graduate in May.

I am having surgery in May and need time to recover.

Graduating

Q10 - Is there anything you would like us to know regarding WSU summer that was not addressed in this survey? (22 RESPONSES)

There **isn't enough diversity in the classes** offered in the summer. I couldn't find any classes to take for my Sociology Minor.

I have never taken a summer class through WSU, only at another institution.

The tuition for taking only completely online courses is outrageous and a waste of money.

I love the fast pace of summer courses!

Offer more courses.

More about transferable credits.

If you have summer courses they should be apart of a major or minor.

I **would love** it if **more summer courses** were offered in different majors. I have taken a lot of psychology classes over the summer, but I would have loved to have taken more history and English ones outside of May term

We **need more classes!** Especially in online English. Also, the ceramics class would be awesome if it were 2 longer days a week instead of five!

There needs to be more 300 and 400 level Spanish classes offered

I feel like the **classes** offered are incredibly **limited**. I would like to see variety of higher level courses offered over summer as well.

I wish a **wider variety of higher level online courses** were available, especially in the mass communications department

More summer classes, especially 300 and 400 level classes, would be appreciated.

Are the summer courses offered for less money than the spring and fall semesters?

I **wish there were more courses** offered for goal areas online.

Cost

There **should be more classes** for majors like Film Studies, Theater and English. There should also be more in person classes. It seems like the summer classes are very online focused and I find this very unfortunate.

I **wish there were more online classes** in the summer for WSU **for my major!**

WSU Summer Sessions should post a list of all the courses offered during the summer sessions.

Financial aid

I wish you offered an online speech class.

I took plenty of summer classes previously and they were immensely helpful in filling in certain requirements so I wouldn't have to do them during the year. I also enjoyed the two travel studies I participated in.
