## 1. Login page

The screenshot displays the MhSCUISRS application interface. The top navigation bar includes links for "Manage Profile", "Home", "Brey Meyer, Santo M.", and "Logout". Below this, a secondary navigation bar contains "Manage Requests", "Timesheet" (highlighted with a red box and a mouse cursor), and "Employee Pay Details". A "Help" link is also present in the top right. A performance notice states: "For optimal performance, use Firefox 25.0+, Chrome, or Safari. If using IE 8 or older, some functionality will not be available." The main content area features tabs for "My Requests" and "View Balances". On the left, a "Filter your results:" panel includes radio buttons for "Default view", "Current fiscal year", "Show all fiscal years", "Choose single fiscal year", and "Choose date range", along with dropdown menus for "Status" and "Leave Type". On the right, there are buttons for "Select All", "Edit", "Delete", and "New Request". A blue message box indicates: "No leave requests were found within this time period. Try expanding your search."

When you login to eTimesheet, it will look the same as it did before the changes. This page is called the *Time and Leave Reporting* page. The only noteworthy change is a link is added in the upper left corner entitled *Timesheet*. This link takes you to the *Timesheet* page.
